SERVICES**

## STORM WATCH: WINTER WEATHER THIS WEEKEND

Weather forecasts indicate for severe winter weather that could impact the state. Ice accumulations between one quarter and one half of an inch are possible. Total snow and sleet accumulations may reach half of an inch.

As your emergency response partner, Mission Ready Services is on standby, ready to supply your community with critical equipment, including:

- Generators
- Lighting
- Heating
- Restroom trailers
- Shower trailers

Don't wait! Contact our team today and we can help you develop a response plan before the storm hits.
